#### B. Reasons and Purposes of PMTHMETD

The Company has signed a Settlement Agreement whereby the Company's obligation to Mr. Tri Ramadi is settled by issuing New Shares of the Company through PMTHMETD.

# C. History of Debt to be Converted and Terms and Conditions of the Settlement Agreement

The following is the history of the Company's debt that shall be converted into the Company's New Shares for the purpose of PMTHMETD:

The Company and JCA has signed the SPA, where the Company and JCA agreed that the Company will render new shares to JCA in the form of common registered shares with nominal value IDR50.00 (fifty Indonesian Rupiah) per shares ("Advance for Stock Subscription") which will be issued by the Company via the Capital Increase With Pre-Emptive Rights ("PMHMETD") if JCA has paid up in full amount at the date of paid-up date. This PMHMETD plan has received approval from the Company's shareholders at the GMS based on the Deed of Minutes of the Extraordinary General Meeting of Shareholders No. 18 dated June 28, 2018, drawn up before Utiek Rochmuljati Abdurachman, S.H., M.Li., M.Kn., Notary in Jakarta.

The procedure of capital increase through PMHMETD has not been performed by the Company, but JCA has paid up in the amount of IDR57,300,000,000.00 (fifty seven billion three hundred million Indonesian Rupiah) during the period from July 19, 2018 until December 31, 2018. As of December 31, 2022, the Advance for Stock Subscription has been accounted in the equity post as "Advance for Stock Subscription" in the financial statement.

The basis for the injection is:

- 1) JCA intends to become of the shareholders of the Company.
- 2) During such period, the Company is in need of funds for operations.
- 3) Fund injections are made on the basis of good relations between JCA and the Company.

The deposit of funds by JCA is recorded as a Advance for Stock Subscription presented as part of the Short-Term Liabilities.

According to the SPA, there is no specified timeframe that requires the Company to execute JCA's capital investment in the Company.

On October 1, 2019, the Company, JCA, and Mr. Tri Ramadi signed a Transfer Agreement in which JCA transferred all of its rights and obligations under the SPA to Mr. Tri Ramadi. As a result, Mr. Tri Ramadi replaced JCA's position in the SPA.

The reasons why Company did not immediately carry out the PMHMETD process for the funds that had been injected by JCA as per the Share Binding Agreement and the

reasons for the transfer to Mr. Tri Ramadi based on the Transfer Agreement were:

- 1) The initial plan of the Company was to raise funds of IDR100 billion to then implement the PMHMETD;
- 2) Subsequently, the Covid-19 pandemic occurred, which caused potential investors other than JCA to cancel their fund injection;
- 3) The Company's financial and business crisis during the Covid-19 pandemic hindered the Company from carrying out its operations properly; and
- 4) Then, due to the Covid-19 pandemic, based on JCA's decision, JCA transferred the advance capital deposit to Mr. Tri Ramadi.

Mr. Tri Ramadi then made additional fund injections to the Company in the amount of IDR15,043,600,000.00 (fifteen billion forty-three million six hundred thousand Indonesian Rupiah) during the period from November 18, 2019, to December 31, 2020.

As a result, the total amount received by the Company was IDR72,343,600,000.00 (seventy-two billion three hundred forty-three million six hundred thousand Indonesian Rupiah) ("**Obligation**").

The Company has adjusted the Advance for Stock Subscription account in the name of Mr. Tri Ramadi to the Share Subscription Advance account, which is presented as part of the Short-Term Liabilities in the Company's consolidated financial position report as of July 31, 2023.

In connection with the matters above, the Company and Mr. Tri Ramadi had agreed to create and sign the Settlement Agreement whereby:

- (i) the Company acknowledges its indebtedness to Mr. Tri Ramadi in the amount of IDR72,343,600,000.00 (seventy-two billion three hundred forty-three million six hundred thousand Indonesian Rupiah);
- (ii) amending the provisions of the conversion procedure for the Obligation, originally required be done through the PMHMETD procedure to PMTHMETD;
- (iii) establishing the terms and conditions for the conversion of the Obligation into New Shares of the Company.

Based on the Settlement Agreement, the parties agree to convert the Obligation into common registered shares on the date of PMTHMETD execution, subject to the following conditions:

- (i) The Company shall convert the Obligation as defined in the Company's Consolidated Financial Statement as of July 31, 2023 which have been audited by the Public Accountant Office Tanubrata Sutanto Fahmi Bambang & Partners (Member of BDO International Limited) into New Shares, through the PMTHMETD subject to FSAR No. 14/2019 and other relevant laws and regulations regarding PMTHMETD.
- (ii) The Price of New Shares to be issued shall be determined based on the calculation at least 90% (ninety percent) of the average closing price of the Company's shares during a period of 25 (twenty five) consecutive trading days in the regular market prior to the date of application for listing of additional shares result from the PMTHMETD, in accordance with the provisions of IDX Regulation No. I-A, Attachment to IDX Board of Directors Decree No. Kep. 00101/BEI/12-2021 concerning the Listing of Shares and Equity Securities Other Than Shares Issued by Listed Companies ("IDX Regulation No. I-A").
- (iii) The Obligation will be considered as settled when Mr. Tri Ramadi receives the

New Shares and the New Shares resulting from the conversion of the Obligation into the Company's shares are listed on the IDX.

Based on the Settlement Agreement, the Company and Mr. Tri Ramadi agreed that the PMTHMETD shall be effective after the following preliminary requirements are met:

- (i). Obtaining approval from the Company's Board of Commissioners at the latest when submitting disclosure of information regarding the PMTHMETD to the Company's shareholders, which has been obtained based on a Circular Decision in Lieu of the Company's Board of Commissioners Meeting on December 7, 2023;
- (ii). Obtaining approval from the independent shareholders of the Company who approve the PMTHMETD; and
- (iii). Obtaining application for approval of share listing on the IDX.

These preliminary requirements must be fulfilled by the Company no later than December 31, 2023 ("Closing Date"). It has also been agreed that the parties can extend the Closing Date based on a written agreement which is an integral part of the Settlement Agreement.
